

Intervals on White Keys

(C major/A minor)

An interval is the space between two notes in a scale. When we count intervals, we count the starting note and the ending note.

The table below shows how to count intervals on white keys (all natural notes, no flats or sharps).

Interval	Example	Picture
2nd	C to D	
3rd	C to E	
4th	C to F	

5th	C to G	 <p>Diagram illustrating the 5th interval (C to G). The keys C, G, and the tritone F# (labeled F# and G#) are highlighted in yellow.</p>
6th	C to A	 <p>Diagram illustrating the 6th interval (C to A). The keys C, A, and the tritone F# (labeled F# and G#) are highlighted in yellow.</p>
7th	C to B	 <p>Diagram illustrating the 7th interval (C to B). The keys C, B, and the tritone F# (labeled F# and G#) are highlighted in yellow.</p>
Octave (8th)	C to C	 <p>Diagram illustrating the Octave (8th) interval (C to C). The two C keys are highlighted in yellow.</p>
